IDENTIFICATION REQUIRED WHEN REGISTERING

Thank you for enquiring about registration with Murrayfield Medical Practice.

To complete the registration process with us we need two items of personal identification.

- One item must contain a photograph (passport or driving licence) and the other must contain an address to prove you are living within the boundary of the Practice (utility bill in your name, rent book, council tax, TV Licence etc). Medical cards and National Insurance cards can not be accepted as identification.

This requirement applies to all patients registering with the Practice i.e British and overseas residents within the EEA.

Children under 16 will be registered on receipt of their parents ID requirements.

For overseas residents registering from outwith the EEA, a passport and valid visa must be given as proof of identity.

Please note registration will not be completed until identification is received.
